GUIDANCE NOTES ON COMPLETING YOUR APPLICATION FORM

PLEASE ENSURE YOU READ THESE INSTRUCTIONS BEFORE COMPLETING YOUR APPLICATION FORM

Please remember this application form is an essential part of our selection process, and the information you include will assist us in selecting a shortlist of candidates for interview. It is therefore important that you complete the application form in full, taking care to ensure it is presented legibly.

Return the completed application form on or before the closing date as provided.

Late applications will not be considered.

Please ensure that you relate any relevant information to the job description in order to demonstrate how your experience, achievements and/or potential fits the post for which you have applied.

Take particular care to ensure that ALL sections of the Application Form are completed clearly and legibly. Only information provided on this Application Form will be considered by the panel.

Curriculum Vitae will not be accepted.

Please ensure you provide examples on your form of how your qualifications and experience meet the Essential and Desirable criteria requirements as presented within the Application Form.

You should ensure that you provide evidence such as, giving length of experience, examples and dates as required. It is not sufficient to simply list your duties and responsibilities or to simply state that you possess the criteria.

Write down clearly your personal involvement in any experience you quote. Write "I" statements e.g. I planned meetings such as [give examples], I dealt with the public [give examples], I am highly organised [give examples].

It is your unique role the panel is interested in, not that of your colleagues or others. It is how you actually carried out a piece of work that the panel will need to determine.

Your examples should be concise and relevant to the criteria. This is very important as the examples which you provide may be checked out at interview and you may need to be prepared to talk about these in detail if you are invited to interview.

We will not make assumptions from the title of the applicant's post or the nature of the organisation as to the skills and experience gained.

If you do not provide sufficient detail, including the appropriate dates needed to meet the eligibility criteria, the selection panel will reject the Application.

All information given will be treated with the strictest confidence.

Continuation sheets may be added if necessary.
