

## **St. Brigid's Parish**

### **Index to the Parish Resource Pack**

The Diocese of Down and Connor has produced a wide range of codes of practice, policies, procedures and other documents to advise and assist in the delivery of safeguarding by parishes.

The most comprehensive of these is the Parish Resource Pack – it contains nearly everything that a parish needs to know for its safeguarding activities. It is available on the Diocesan Safeguarding Office website at <http://www.downandconnorsafeguarding.com/parish-resource-pack/>

It is 124 pages long and to find information quickly and easily, we have produced below an Index to all topics in the Resource Pack.

The number after each topic below is the page in the online Resource Pack where that topic is fully dealt with.

If you have any doubt or questions about how any of the topics affect your activity in the parish, please contact any member of the Parish Safeguarding Committee either directly or through our Parish Office.
