A New Language

The Church born at Pentecost is an astounding community because, with the force of her arrival from God, a new message is proclaimed – the resurrection of Christ – with a new language – the universal one of love...

Thus the church is called into being forever: capable of astounding while proclaiming to all that Jesus Christ has conquered death, that God's arms are always open, that his patience is always there awaiting us in order to heal us, to forgive us. The risen Jesus bestowed his Spirit on the Church for this very mission.

- **Pope Francis**

Reflection: *The mercy given through Jesus' resurrection should breathe new life into us. Is that your experience? Do you have a love that you feel you must share with others? Jesus mercy changes our sorrow into joy and death into life. With whom can you share this joy?*
