## St Brigid's Care for Our Common Home Group

The screening of the Greenpeace film 'People's Emergency Briefing' speaks to the climate crisis calling us all - as people of faith - to take action both individually and collectively to reduce our impact on the planet. Pope Francis made this appeal in the encyclical 'Laudato Si' - 'The urgent challenge to protect our common home includes a concern to bring the whole human family together to seek a sustainable and integral development, for we know that things can change' (L Si 13)
